Senate Bill No. 630

CHAPTER 57

An act to amend Section 52.6 of the Civil Code, relating to human trafficking.

[Approved by Governor July 01, 2019. Filed with Secretary of State July 01, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

SB 630, Stern. Human trafficking.

Existing law requires specified businesses and other establishments, including, among others, airports, intercity passenger rail or light rail stations, bus stations, and truck stops, to post a notice, as developed by the Department of Justice, that contains information relating to slavery and human trafficking, including information regarding specified nonprofit organizations that a person can call for services or support in the elimination of slavery and human trafficking. Existing law also requires, on or before January 1, 2021, specified businesses or other establishments that operate an intercity passenger rail, light rail, or bus station to provide training to new and existing employees who may interact with, or come into contact with, a victim of human trafficking or who are likely to receive, in the course of their employment, a report from another employee about suspected human trafficking, in recognizing the signs of human trafficking and how to report those signs to the appropriate law enforcement agency, as specified. Existing law makes a business or establishment that fails to comply with the requirements of these provisions liable for a civil penalty of \$500 for a first offense, and \$1,000 for each subsequent offense.

This bill would specify that these provisions do not prevent a local governing body from adopting and enforcing a local ordinance, rule, or regulation to prevent slavery or human trafficking, as specified.
